Board of Directors Volunteer Application Form

We are honored that you are interested in serving as a Director of the Richland Swim Club. With a mission of serving the best interests of our members, while remaining dedicated to fiscal responsibility and transparency, we seek a broad-based Board that includes a variety of backgrounds. Directors guide the club's policy direction, oversee general operations, maintain memberships, and ensure the long term fiscal stability of the pool.

At a minimum, Directors should expect to meet monthly to conduct the business of the club and should be prepared to actively participate, depending on assignment, in the duties required to guide and direct the operations of the club. The time commitment will vary based on time of the year and immediate needs.

In an effort to find qualified candidates the existing Directors use a comprehensive selection process. This includes:

- Completion of this application.
- A Nominating Committee, appointed by the President and composed of two board members and three vested members, who will read all applications and select a smaller number of candidates
- A list of candidates to be considered will be included on a Limited Proxy sent to all vested members.
- At the following Directors meeting, new directors will be announced based on the voting results from the Limited Proxy to serve a three-year term, beginning December 1 of the current year
